Secured creditors shall retain their liens until the earlier of payment of the underlying debt, determined under nonbankruptcy law, or discharge under 11 U.S.C. § 1328. Secured creditors shall not assess any late charges, provided payments from the plan to the secured creditor are current.

If the interest rate in the plan controls, but the interest rate is left blank, the interest rate shall be the lesser of 12% or the interest rate included in a creditor's proof of claim.

For claims secured by personal property, the monthly payment amounts in the plan control.

For claims secured by real property, the monthly payment and pre-petition arrearage amounts in the creditor's proof of claim and notice of payment change control.

For claims secured by real and / or personal property, the Trustee shall cease making payments to a creditor if the creditor is granted relief from the automatic stay; and the funds that would have been paid to that creditor shall be disbursed per the plan.
